ALLBIZ DEALERS' TESTEMONIALS

Belarus

Belrezerv

Our company is a professional consulting business operating in foreign trade and export operations market. When we started our cooperation with Allbiz in 2009, we didn't expect that the cooperation will would be so beneficial and necessary for the national market. The Resource appeared a gem for Belarus' information market and our exporters. Over the years we have attracted thousands of customers for more than dozens of millions dollars. We believe that Allbiz is the best export system in Eastern Europe.

Dominican Republic

S.A. Hackberry Overseas

Our company was managed to increase the profit significantly due to partnership with Allbiz. We help businesses to get leads and promote the company at national and global markets. Today Allbiz remains as the best platform for business promotion on the Internet focused on selling to the Russian-speaking region and to many other markets.

Vietnam

CONG TY TNHH MTV DICH VU TU VAN DAI DUONG

We have been Allbiz' partner for more than 2 years. Allbiz is e-commerce platform No 1 in Eastern Europe, that's how the Vietnams' exporters can find new buyers from abroad. In 2015, Vietnam has signed the free trade agreements with Asian and European Union countries, such as Russian Federation, Republic of Belarus, Republic of Kazakhstan, Kyrgyz Republic and Republic of Armenia...it means Vietnamese Government helps in trading with these countries and intends to increase the volume of trade. Allbiz provides huge business opportunities. So if you want to act as Allbiz dealer, you will definitely join to profitable business.

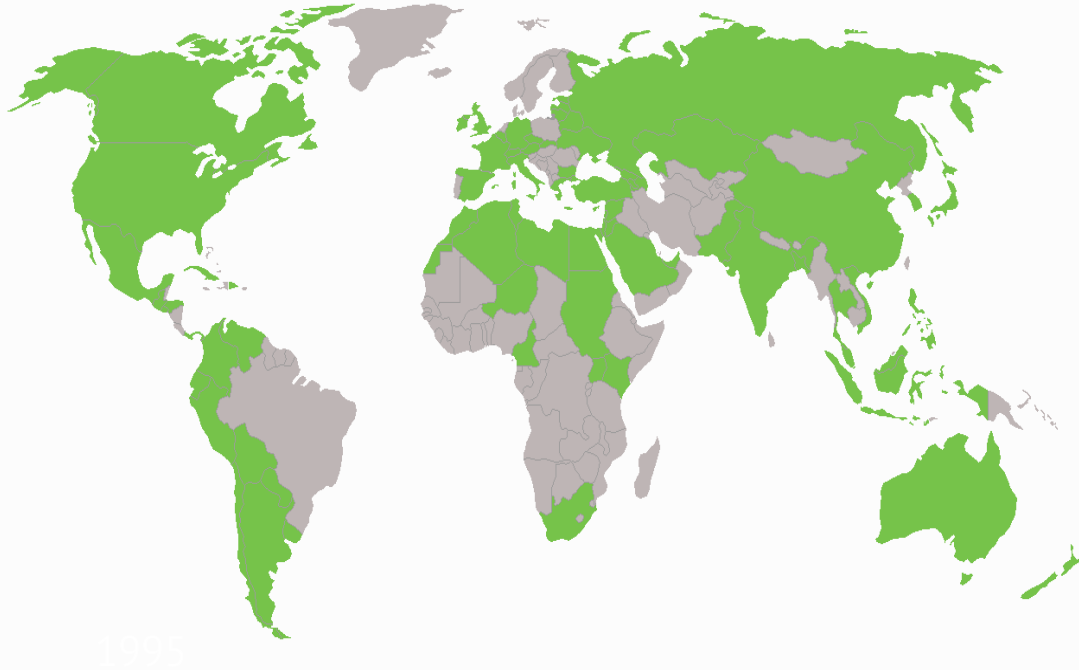

Ukraine

Glomark LTD

We started cooperation with Allbiz in the middle of 2015 year. We consider this company as a serious reliable partner, proven itself as a leader in B2B promotion. This is one of the largest marketplace that helps exporters to find buyers abroad and expand boundaries of business. Today we are promoting Allbiz services in 65 countries. And we hope to develop our partnership with the platform in the future.
